Expeditors Dubai offers customs brokerage services in **27 airports, ocean and land ports of entry**, and **Free Zone** areas. We support our customers' supply chain requirements through efficient customs clearance and effective regulatory compliance based on a proactive and detailed understanding of their products and business model. The use of our globally standardized processes and procedures, paired with our local knowledge and expertise, results in timely, accurate, and compliant submissions to Customs and robust and focused query management through the release of goods. We provide line-level declaration data and analytics to support our customers' post-clearance monitoring and compliance programs.
