## CUSTOMS BROKERAGE SERVICES

Expeditors India offers customs brokerage services at 27 air and ocean ports. We support our customers' supply chain requirements, through efficient customs clearance and effective regulatory compliance. Our services are based on a proactive and detailed understanding of our customers' product line and business model. The use of our globally standardized processes and procedures, paired with our local knowledge and expertise, result in timely, accurate, and compliant entry/ declaration submission to Customs. Submissions are followed through release using robust and focused query management. To complement our customers' post clearance monitoring and compliance programs, we provide line level declaration data and analytics.

### PROGRAM BENEFITS:

- Pre-shipment review to identify discrepancies, needed authorizations, and additional requirements
- All types of entries including temporary imports, re-imports, and used goods
- Exception reporting to support supplier management programs
- Centralized escalation to ensure consistency across ports
- Customer service supported by dashboard visibility and customized reports
- Value-add services such as refund, drawback, and guidance on resolution to queries
- Other Government Agency clearance
- Post-clearance services such as amendments and audit coordination
- Automated tools and applications
- Data and Analytics for use in compliance monitoring
