

# LCL Services - Hamburg Gateway

Centrally located in North Europe, our **Hamburg** gateway allows us to provide LCL services to and from Germany, Poland, Czech Republic, Austria, Hungary, Romania and the Nordics.

Expeditors offers direct weekly LCL services to/from Hamburg with easy and fast connections to our local European road network covering first and last mile trucking.

Our LCL services follow high security and compliance standards to guarantee smooth handling at origin and destination. The entire process is managed by Expeditors with bonded CFS at origin and destination.

Track your shipments with end-to-end visibility through our EXP.O NOW platform.
