

LCL Services - Rotterdam Gateway

Strategically located near Europe’s biggest port, our **Rotterdam** gateway allows us to provide LCL services to and from the Netherlands, Belgium, Luxembourg, France, Switzerland and further onforwarding options to any inland European destination.

Expeditors offers direct weekly LCL services to/from Rotterdam with easy and fast connections to our local European road network covering first and last mile trucking.

Our LCL services follow high security and compliance standards to guarantee smooth handling at origin and destination. The entire process is managed by Expeditors with bonded CFS at origin and destination.

Track your shipments with end-to-end visibility through our EXP.O NOW platform.
