LCL Services - Valencia Gateway

Strategically located on the western Mediterranean sea, our **Valencia** gateway covers LCL services to and from Spain and Portugal.

Expeditors offers direct weekly LCL services to/from Valencia with easy and fast connections to our local European road network covering first and last mile trucking.

Our LCL services follow high security and compliance standards to guarantee smooth handling at origin and destination. The entire process is managed by Expeditors with bonded CFS at origin and destination.

Track your shipments with end-to-end visibility through our EXP.O NOW platform.
