## Dubai Gateway – Outbound Services

Strategically located, our Dubai gateway offers direct weekly LCL services out of Dubai and the Gulf region. With consistent sailing dates and transit times, competitive and simplified W/M pricing, our services cover most industries including, but not limited to, oil & gas, healthcare, automotive, aerospace & aviation, retail & fashion, food & beverage and construction.

The entire process is managed by Expeditors with end-to-end visibility via Expo NOW.

Our LCL services are secure and compliant with global and local standards and procedures (including SOLAS).
