Expeditors Philippines has a main office in Manila and three satellite offices in Clark, Cebu and Subic. Expeditors Philippines provide brokerage services through close collaborative partnerships with third-party brokers and in-house certified brokers and experts. We support our customers' supply chain requirements through efficient customs clearance and effective regulatory compliance, based on a proactive and detailed understanding of their products and business model. The use of our globally standardized processes and procedures, paired with our local knowledge and expertise, result in timely accurate and compliant submissions to Customs, as well as robust and focused query management through the release of goods. To support our customers' post clearance monitoring and compliance programs we provide line level declaration data and analytics.
