

Time Definite

OVERVIEW

Expeditors' Time-Definite Ground Services are part of its Ground Network Services (GNS), a dedicated and exclusive transportation network that ensures scheduled, predictable, and secure delivery for shipments of all sizes. With over 14,000 truck routes per month, 11 strategically located hubs, and service to 100+ major markets, we aim to deliver unmatched consistency and performance.

KEY FEATURES

NO VOLUME CAPS OR EMBARGOS

Shipments are not restricted by daily limits, allowing for greater flexibility and scalability.

REAL-TIME VISIBILITY

Customers benefit from centralized tracking and proactive communication throughout the shipment lifecycle.

B2B FOCUS

Tailored for industries such as electronics, healthcare, retail, telecommunications, and automotive, where timing and cargo care are critical.
